ISSUED

11 July 2026 · Rev R01

ACCESS

Tier 1 · Investor

All images are design-intent renders; artist's impression only. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation. Condo Type A render studies (CNA-VIS-001/002/003) are under revision and are not included in this release. Issued by Safeport Security Services Limited (Reg. 2016-C251 · Saint Lucia) trading as SHER Sanctuary Experiences.

Hillside Cottage Type A

Visual Acceptance Record CTA-005-R02 · Owner Accepted for Website & Investor Gallery Use

⚠ *Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.*

Exterior — Nature & Veranda View

A private one-bedroom sanctuary set within lush tropical planting, with refined butterfly roof, deep veranda, timber, stone, and lime/mineral wall expression.

Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Interior — Sleeping Lounge & Veranda

The Expanded A interior shows the sleeping/lounge sanctuary opening to a deep screened veranda — warm timber ceilings, quiet neutral finishes, screened glazing, and a calm nature-facing view.

Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Hillside Cottage Type A — continued

Visual Acceptance Record CTA-005-R02 · Owner Accepted for Website & Investor Gallery Use

△ Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Dusk Exterior — Low-Level Lighting

Warm low-level lighting demonstrates the cottage as a quiet evening sanctuary — no floodlighting, no visible utilities, no resort clutter, no glare toward habitat. SHER's lighting discipline in practice.

Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Bathroom & Outdoor Shower Court

Stone, timber, and warm mineral finishes — fast-draining surfaces, privacy screening, and a closable insect-controlled interior threshold. SHER quiet luxury expressed through material quality, not ornamentation.

Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Cottage Type A — key design notes: Marine-grade steel structural frame (concealed); butterfly or split-butterfly roof; one-bedroom programme, 900–1,100 sq ft; veranda, outdoor shower court, screened living zone. Four retained Cottage Type B units (C-07–C-10) form SHER's hospitality programme and are not for sale. Six Cottage Type A units (C-01–C-06) are available to for-sale purchasers.

Villa Type A — Exterior Expressions

Visual Acceptance Record VTA-005-R01 · Owner Accepted for Website & Investor Gallery Use

△ Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Linear View — Exterior Base Expression

The repeatable Villa Type A expression: butterfly roof language, deep shaded veranda, timber and stone materiality, screened indoor-outdoor living, concealed utility discipline.

Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Courtyard / Split-Wing — Premium Exterior

The premium Villa Type A expression with a broader split-wing sanctuary form, layered privacy, stone plinth, timber screens, refined dark roof, and optional quiet plunge feature.

Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Villa Type A — Interior & Atmosphere

Visual Acceptance Record VTA-005-R01 · Owner Accepted for Website & Investor Gallery Use

△ Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Main Living & Veranda Interior

Open but controlled luxury — screened/glazed indoor-outdoor comfort, warm timber ceiling, lime/mineral wall tones, natural furnishings, and a framed tropical view.

Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Twilight Exterior Atmosphere

Warm restrained lighting, lush landscape, quiet pathway — no resort floodlighting or visible utility clutter. SHER's lighting covenant demonstrated at the villa scale.

Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Primary Suite — Garden-View Sanctuary

A calm primary suite: timber, lime/mineral finishes, soft natural textiles, screened garden threshold, quiet premium guest comfort.

Design concept — artist's impression. Not for construction. Final design subject to DCA approval, professional drawings, site conditions, and owner confirmation.

Villa Type A — key design notes: Two to three bedrooms, 2,750–3,650 sq ft. Private plunge or lap pool. Two configuration expressions — Linear View and Courtyard/Split-Wing. V-01 to V-05 for sale; V-06 (Flagship Villa) is individually designed, price on application. Southern estate positions with premium bay aspect guaranteed by topography.

IMAGE USAGE NOTES

Visual Acceptance & Usage Controls

All renders in this document are accepted under the SHER Visual Acceptance Record programme. Each image has been reviewed and explicitly accepted by the SHER project owner for website and investor gallery distribution. They are not construction drawings and do not imply any planning approval.

Condo Type A — excluded from this release: Condo Type A render studies (CNA-VIS-001, CNA-VIS-002, CNA-VIS-003) are currently under revision. They have not been accepted for website or investor distribution. They will be released under a separate Visual Acceptance Record when owner-accepted. Do not distribute CNA render studies in any investor or marketing context until a Visual Acceptance Record is issued.

This document is provided for preliminary information purposes only and does not constitute a prospectus, securities offering, regulated financial promotion, investment advice, or representation of fact. All figures are preliminary and subject to independent verification. Governed by the laws of Saint Lucia. All render images shown are design concept — artist's impression only. They do not constitute a prospectus, a construction drawing, or confirmation of planning approval. Final design is subject to DCA approval, professional engineering and architectural drawings, site conditions, and owner confirmation.
