Investor Portal Disclaimer & Access Terms

These terms govern access to the SHER Investor Portal and all materials contained therein. By entering your access code and proceeding past the entry gate, you confirm that you have read, understood, and accepted these terms in full.

Confidential — Restricted Access: The materials in the SHER Investor Portal are confidential and are made available solely to persons who have been personally invited by Safeport Security Services Limited. If you have accessed this portal without a personal invitation, you must exit immediately and destroy any materials you have accessed.

1. Eligibility

Access to this portal is restricted to persons who have self-identified as financially sophisticated, professional, or institutional investors through the SHER investor discovery process. By accessing the portal, you confirm that:

- You are accessing the portal for the purpose of evaluating a potential investment and not for any other purpose;
- You have sufficient financial knowledge and experience to evaluate the merits and risks of an investment in a development-stage real estate project;
- You are not accessing the portal on behalf of a regulated financial intermediary without appropriate authorisation to do so;
- You are not located in a jurisdiction in which the making or receipt of these materials would be unlawful.

2. Nature of Materials — Not a Prospectus or Securities Offering

The materials in this portal, including financial projections, capital structure summaries, returns estimates, development timelines, and site documentation, do not constitute and should not be construed as:

- A prospectus, information memorandum, or offering document within the meaning of any applicable securities or company legislation;
- An offer of, or invitation to subscribe for or purchase, securities, shares, units, or interests in any fund, company, or investment scheme;
- An offer to enter into any financial arrangement;
- A regulated financial promotion or investment advice under the laws of Saint Lucia or any other jurisdiction.

No regulatory authority in Saint Lucia or elsewhere has reviewed, approved, or authorised these materials. Persons in jurisdictions where the receipt of these materials would constitute a regulated activity are not authorised to access the portal.

3. Forward-Looking Statements

The portal contains forward-looking statements, including financial projections, revenue estimates, return targets, construction timelines, and market assumptions. These statements are based on assumptions and estimates made by Safeport Security Services Limited and its advisors at the time of preparation. Forward-looking statements:

- Are inherently uncertain and may not be achieved;
- Are subject to risks including (without limitation) construction cost overruns, adverse regulatory decisions, market conditions, foreign exchange movements, natural disasters, and force majeure events;

- Should not be relied upon as a prediction of actual future performance.

Actual results may differ materially from any projections or estimates contained in the portal.

4. No Guarantee of Returns

Investment in a development-stage real estate project involves significant risk, including the risk of partial or total loss of capital. Safeport Security Services Limited does not guarantee any financial return, income yield, capital preservation, project completion, or exit within any particular timeframe. Past performance of any benchmark or comparable project is not indicative of future results. Nothing in this portal constitutes an agreement to make any investment available on the terms described.

5. Independent Professional Advice

Prospective investors are strongly advised — and, where applicable, legally required — to obtain independent financial, legal, tax, and structural advice before making any investment decision. Safeport Security Services Limited does not provide financial advice, tax advice, or legal advice. The portal materials are provided for evaluation purposes only and are not a substitute for independent professional due diligence.

6. Confidentiality Obligations

All materials in this portal are provided in strict confidence. By accessing the portal, you agree:

- Not to disclose, reproduce, distribute, or transmit any portal materials to any third party without the prior written consent of Safeport Security Services Limited;
- To use the materials solely for the purpose of evaluating a potential investment in the SHER project;
- To destroy or return all materials on request, or if you decide not to proceed with an investment.

Breach of these confidentiality obligations may result in injunctive relief and/or a claim for damages by Safeport Security Services Limited.

7. Tier 3 — Non-Disclosure Agreement

Materials marked as Tier 3 (including full financial models, title documentation, draft investment agreements, and the SPV shareholders agreement) are subject to a formal Non-Disclosure Agreement ("NDA"). Access to Tier 3 materials constitutes acceptance of the NDA terms set out in document SHER-LEGAL-006-R01. Disclosure of Tier 3 materials to any third party without the prior written consent of Safeport Security Services Limited is a breach of contract and may give rise to legal proceedings in the courts of Saint Lucia.

8. Alien Landholding Licence

Foreign nationals (and companies in which non-nationals hold a majority interest) who are considering a direct property acquisition at SHER are reminded that an Alien Landholding Licence is required under the Alien Landholding (Licensing) Act No. 1 of 2020. Safeport Security Services Limited will provide reasonable introductory guidance but does not provide legal advice on ALHL applications. Independent Saint Lucia legal counsel must be engaged.

9. Consumer Protection

Nothing in the portal materials is intended to constitute a misleading, deceptive, or unconscionable representation within the meaning of the Consumer Protection Act No. 9 of 2016. In the event of any inconsistency between marketing or summary materials and these legal terms, these legal terms prevail.

10. Governing Law & Jurisdiction

These terms and all matters relating to the portal are governed by the laws of Saint Lucia. Any dispute arising from or in connection with these terms or the portal materials shall be subject to the exclusive jurisdiction of the courts of Saint Lucia.
