

BUYER TIER 2 — CONFIDENTIAL

Purchase Payment Plan

The standard staged payment structure for all for-sale SHER residential units — Cottage Type A, Villa Type A, Flagship Villa Type B, and Condo Type A.

Currency: All payments are denominated in United States Dollars (USD). Eastern Caribbean Dollar (XCD) equivalent may be accepted by arrangement — the prevailing EC Central Bank rate on the date of payment applies.

Standard Staged Payment Schedule

The following schedule applies to all for-sale units. The exact milestone schedule — particularly the construction stage dates — will be confirmed in the Sale and Purchase Agreement (SPA) executed with the buyer.

- 1 Reservation Deposit — 5% of Purchase Price**
Due within 7 days of verbal agreement to reserve a unit. Holds the selected unit exclusively for the buyer for 21 days. Refundable in full if the buyer does not proceed to contract within 21 days and notifies SHER in writing. Non-refundable once the Sale and Purchase Agreement is executed.
- 2 Contract Deposit — 10% of Purchase Price (less reservation paid)**
Due on execution of the Sale and Purchase Agreement (typically within 28 days of reservation). The reservation deposit of 5% is credited to this stage — the buyer pays the remaining 5% at contract execution. This deposit is held by the vendor's solicitor.
- 3 Construction Stage 1 — 15% of Purchase Price**
Due when foundations are complete and certified by the appointed structural engineer. SHER will issue a stage completion certificate and the buyer has 14 days to make payment. *Stage date TBC in SPA*
- 4 Construction Stage 2 — 20% of Purchase Price**
Due when the primary frame and roof structure are complete and certified. SHER issues a stage completion certificate; 14-day payment period applies. *Stage date TBC in SPA*
- 5 Construction Stage 3 — 15% of Purchase Price**
Due on practical completion of MEP rough-in, external envelope (walls, windows, roof cladding) and external works. Stage completion certificate issued by SHER. *Stage date TBC in SPA*
- 6 Construction Stage 4 — 10% of Purchase Price**
Due on practical completion of internal fit-out, finishes, joinery, fixtures and landscaping. The unit will be at snagging stage at this point. *Stage date TBC in SPA*

Balance on Completion — 25% of Purchase Price

Due on legal completion — transfer of title and handover of keys. The balance is typically funded via the buyer's mortgage (if applicable) or cleared funds. Legal completion is coordinated between the vendor's and buyer's solicitors in Saint Lucia.

BANK ACCOUNT DETAILS

SHER will provide verified wire transfer instructions through the vendor's appointed Saint Lucia solicitor. Do not transfer funds to any account not confirmed in writing by the solicitor. SHER will never request transfers by email alone.

Deposit Protection & Unit Withdrawal

All deposits received after execution of the Sale and Purchase Agreement are held by the vendor's solicitor in a client account until the relevant construction stage is certified. In the event that SHER is unable to complete a unit due to circumstances beyond the developer's control (force majeure, regulatory withdrawal, or structural impossibility), deposits paid will be returned to the buyer in full within 60 days, without penalty or interest. The Sale and Purchase Agreement will set out the full terms of deposit protection, refund conditions, and buyer remedies in the event of delay or non-performance.

Solicitor requirement: All buyers are required to engage an independent Saint Lucia solicitor to act on their behalf. SHER can provide a list of local firms experienced in foreign-buyer residential transactions. SHER's solicitor acts for the vendor only.

Note on mortgage drawdown: Buyers using Republic Bank (Saint Lucia) Limited or another approved lender may align their drawdown schedule with the construction stage payment milestones above. SHER will issue certified stage completion certificates promptly to support mortgage drawdowns. See Document SHER-BUYER-004-R01 — Mortgage Partnership Note for details.
