

BUYER TIER 2 — CONFIDENTIAL

Site Plan & Available Plot Register

Estate overview and residential plot register for the SHER Sanctuary development at Savannes Bay, Micoud, Saint Lucia.

Section 1 — Estate Overview

204,148 Total estate area (sq ft) · 4.69 acres	108,774 Developable area (sq ft) · 2.50 acres	95,374 Conservation zone (sq ft) · 2.19 acres · 46.7%
---	--	--

Conservation commitment: 46.7% of the total estate area — 95,374 sq ft / 2.19 acres — is designated as conservation land. This area encompasses the mangrove fringe, wetland buffer, and bay edge, and is subject to the SHER conservation covenant and RAMSAR obligations. No residential or commercial construction is permitted in the conservation zone.

Site plan note: A diagrammatic estate plan is available within the current approved drawing set (SHER Approved Current Drawing Set, 22 June 2026). The full plan — including surveyed boundaries, plot positions, conservation zone edge, and detailed residential plot layout — is available at Tier 3 subject to NDA execution.

To request the Tier 3 materials: Complete the buyer discovery form and indicate that you wish to proceed to Tier 3 review. SHER will contact you directly.

Parcel areas, orientations and plot positions are indicative only and subject to survey, planning, structural and environmental confirmation. This register does not constitute a binding offer or reservation of any plot. Status figures are current as at 9 July 2026 and subject to change. Final plot register will be attached to each Sale and Purchase Agreement as a schedule.
